COVID-19 Safety Policy		Page 1 of 2

POLICY STATEMENT

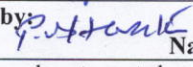

Industrial Gases (Pvt) Ltd is committed to provide, as far as is reasonably practicable, for the health, safety and wellbeing of all staff, workers, contractors, customers and/or on their property. This commitment extends to ensuring that our operations and activities do not place our customers at risk of harm, injury, illness or damage, which includes awareness & due diligence around the global public health emergency of the Coronavirus; COVID-19.

We recognise our moral and legal responsibility to provide a safe and healthy work environment in our workplaces for all persons and that the safety and well-being of all persons are being monitored. We implement protective and preventive measures may occasionally require significant changes to workplace processes and practices. We are committing to continuous improvements of our COVID 19 safety management system. We are accomplished to comply with the COVID 19 control plan according to ministry of health guidelines, legal and other regulatory requirements.
